Subject: Final Approval of Permit Transfer, Bryce Christensen Excavating, Inc., Rhyolite Beryl Pit #1, S/021/0032, Iron County, Utah

Dear Mr. Christensen:

On July 27, 2011, the Director of the Division of Oil, Gas and Mining approved the replacement surety and reclamation contract for the Transfer of Notice of Intention (NOI) for the Rhyolite Beryl Pit #1, S/021/0032, from JP Excavating Inc. to Bryce Christensen Excavating, Inc. You are now solely responsible to conduct mining and reclamation as outlined in the approved NOI. JP Excavating, Inc. is hereby released from any further reclamation liability under this permit.

You may, at any time submit a notice to amend/revise any portion of the approved NOI. Please use form MR-REV-SMO/EXP located on the Division's website www.ogm.utah.gov/minerals. You may not implement these changes until you receive Division approval of the amended/revised NOI.

Thank you for patience in completing this permit transfer. Please refer to file S/021/0032 in any correspondence regarding this operation. If you have questions regarding this letter, please contact me at 801-538-5261 or Lynn Kunzler at 801-538-5310.

Sincerely,

Paul Baker
Minerals Program Manager
